## AUDITOR'S REPORT

To the Members of Triveni Turbine Limited

### REPORT ON THE STANDALONE FINANCIAL STATEMENTS

We have audited the accompanying standalone financial statements of Triveni Turbine Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

### MANAGEMENT'S RESPONSIBILITY FOR THE STANDALONE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

### OPINION

In our opinion, and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give

the information required by this Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2016 and its profit and its cash flows for the year ended on that date.

### REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

Referred to in paragraph 1 of the Independent Auditors' Report of even date under the heading "Report on Other Legal and Regulatory Requirements" to the members of Triveni Turbine Limited on the standalone financial statements as of and for the year ended March 31, 2016.

1. (a) The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets.
- (b) Fixed assets have been physically verified by the management during the year. As explained to us, no material discrepancies were noticed on such verification as compared to the book records. In our opinion the frequency of verification is reasonable having regard to the size of the company and nature of its activities.
- (c) According to the information and explanation given to us and on the basis of examination of title deeds, other relevant records provided to us evidencing the title, confirmation from the lenders with whom title deeds have been deposited as security for banking facilities and legal opinion obtained by the Company, we report that the title deeds of all the immovable properties, as disclosed in Note No.10 on fixed assets to the Financial Statements, are held in the name of the company.
2. Inventories have substantially been physically verified by the Management to the extent practicable at reasonable intervals during the year. In our opinion the frequency of verification is reasonable. The discrepancies noticed on physical verification as compared to the book records were not material having regard to the size and nature of the operations of the Company and have been properly adjusted in the books of account.
3. According to the information and explanation given to us, the Company has not granted any loan, secured or unsecured to companies, firms, limited liability partnership or other parties covered in the register maintained under Section 189 of the Act. Accordingly clauses 3(iii)(a), 3(iii)(b) & 3(iii)(c) of the Companies

(Auditor's Report) Order, 2016 are not applicable to the Company.

4. According to the information and explanations given to us and in our opinion the Company has not advanced any loan, investment, guarantee or security to any person as specified under sections 185 of the Companies Act, 2013. The company has not advanced any loan, guarantee or security to any person within the meaning of section 186 of the companies Act 2013. The company has complied with the provisions of section 186 of the companies Act 2013 with regards to investment made.
5. The Company has not accepted any deposits from the public under the provisions of Sections 73 to 76 of the Act or other relevant provisions of the Act and rules framed thereunder.
6. We have broadly reviewed the books of account maintained by the Company pursuant to the Rules made by the Central Government for maintenance of cost records under section 148 of the Companies Act, 2013 and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained.
7. (a) The Company is generally regular in depositing with appropriate authorities undisputed statutory dues including provident fund, employees' state insurance, income tax, sales tax, service tax, customs duty, excise duty, value added tax, cess and other statutory dues applicable to it. According to the information and explanations given to us, no undisputed amounts payable in respect of aforesaid dues were in arrears as at March 31, 2016 for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us, there are no dues of income tax, sales tax, customs duty, value added tax and cess which have not been deposited on account of any dispute. Disputed service tax and excise duty which have not been deposited on account of matters pending before appropriate authorities is as under:

S. No.	Name of the Statue	Nature of Dues	Amount (₹ in Million)	Amount Paid (₹ in Million)	Period to which it relates	Forum where Dispute is pending
1	Finance Act 1994	Service Tax	3.25	3.57	FY 2008-09 to FY 2011-12	CESTAT, Bangalore
		Interest	4.31			
		Penalty	3.25			
2	Finance Act 1994	Service Tax	10.32	1.27	FY 2007-08 to FY 2011-12	CESTAT, Bangalore

## TO INDEPENDENT AUDITORS' REPORT OF EVEN DATE ON STANDALONE FINANCIAL STATEMENT OF TRIVENI TURBINE LIMITED

Referred to in paragraph 2 (f) of the Independent Auditors' Report of even date under the heading "Report on Other Legal and Regulatory Requirements" to the members of Triveni Turbine Limited on the standalone financial statements as of and for the year ended March 31, 2016

### REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 ("THE ACT")

We have audited the internal financial controls over financial reporting of Triveni Turbine Limited ("the Company") as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

#### MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by The Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by The Institute of Chartered Accountants of India and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including

the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### OPINION

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

# NOTES TO FINANCIAL STATEMENTS

## FOR THE YEAR ENDED 31ST MARCH 2016

### 1. SIGNIFICANT ACCOUNTING POLICIES

#### a) Basis of Preparation

The financial statements of the Company have been prepared as a going concern on an accrual basis of accounting under the historical cost convention in accordance with generally accepted accounting principles in India. The financial statements comply in all material respects with the applicable accounting standards notified under the Companies (Accounting Standards) Rules, 2006 (as amended) in accordance with section 133 of the Companies Act, 2013, read with Rule 7 of Companies (Accounts) Rules, 2014. All assets and liabilities have been classified as current or non-current as per the criteria set out in Schedule III of the Companies Act, 2013.

#### b) Use of Estimates

The presentation of financial statements requires estimates and assumptions to be made that affect the reported amounts of assets and liabilities on the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Differences between the actual results and estimates are recognised in the period in which the results are known/materialise.

#### c) Fixed Assets

Fixed assets are stated at cost of acquisition less accumulated depreciation. Cost includes taxes, duties (excluding Excise Duty and VAT for which CENVAT/VAT credit is available), freight and other incidental expenses relating to acquisition and installation of such fixed assets.

#### d) Recognition of Revenue

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The following specific recognition criteria are applied for revenue recognition:

- i) Revenue from sale of goods is recognised when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of the goods. The Company collects sales taxes and/ or value added taxes (VAT) on behalf of the government and therefore, these are not economic benefits flowing to the Company and accordingly they are excluded from revenue. Excise duty deducted from revenue (gross) is the amount that is included in the revenue (gross).
- ii) Revenue from service contracts is recognised as the service is performed. Performance of service is measured either under the completed service contract method or under the proportionate completion

method, whichever relates the revenue to the work accomplished or obligations fulfilled and when no significant uncertainty exist regarding the consideration receivable for the service performed. The Company collects service tax on behalf of the government and therefore, it is not an economic benefit flowing to the Company and accordingly it is excluded from revenue.

- iii) Revenue from construction contracts is recognised on the percentage of completion method, measured by the proportion that contract costs incurred for work performed till the reporting date bear to the estimated total contract cost. Contract cost for this purpose includes:
  - a) Costs that relate directly to the specific contract;
  - b) Costs that are attributable to contract activity in general and can be allocated to the contract; and
  - c) Such other costs as are specifically chargeable to the customer under the terms of the contract.

Foreseeable losses, if any, are provided for immediately.

- iv) Income and expenditure relating to the prior period and prepaid expenses which do not exceed ₹ 10,000/- in each case, are treated as income/expenditure of the current year.

#### e) Foreign Currency Transactions

- i) Transactions denominated in foreign currencies are recorded at exchange rates prevailing on the dates of the transactions.
- ii) Foreign currency monetary items (including forward contracts) are translated at rates prevailing at the reporting date. Exchange differences arising on settlement of transactions and translation of monetary items (including forward contracts) are recognised as income or expense in the year in which they arise.
- iii) The premium or discount on foreign currency forward contracts not relating to firm commitments or highly probable forecast transactions and not intended for trading or speculative purposes is amortised as expense or income over the life of each contract.
- iv) In respect of derivative contracts relating to firm commitments or highly probable forecast transactions, provision is made for mark-to-market losses, if any, at the balance sheet date. Gains, if any, on such contracts are not recognised till settlement.

## f) Investments

Investments, those are readily realisable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long term investments. Current investments are carried at lower of cost and fair value determined on an individual investment basis. Long term investments are carried at cost. However, provision for diminution is made to recognise a decline, other than temporary, in the value of long-term investments, such reduction being determined and made for each investment individually.

## g) Inventories

- i) Inventories of raw materials and components, stores and spares are valued at the lower of cost and net realisable value. Cost for the purpose of valuation of inventories is determined on weighted average basis.
- ii) Finished goods and work-in-progress are valued at lower of cost and net realisable value. The cost of finished goods and work-in-progress includes raw material costs, direct cost of conversion and allocation of indirect costs incurred in bringing the inventories to their present location and condition. Excise duty is included in the value of finished goods.
- iii) Patterns, loose tools, jigs and fixtures are amortised equally over three years.

## h) Depreciation

- i) Depreciation on fixed assets is provided on the straight line method in accordance with Schedule II of the Companies Act, 2013. Schedule II provides the useful lives of various categories of fixed assets and allows the Company to use higher / lower useful lives and residual values if such lives and residual values can be technically supported and the justification for any difference is disclosed in the financial statements.

Accordingly, the management has estimated the useful lives and residual values of all its fixed assets and adopted useful lives as stated in Schedule II along with residual values of 5% except for the following:

- Based on the experience and assessment, mobile phones costing ₹ 5,000/- or more are depreciated over 2 years.
- Assets costing less than ₹ 5,000/- are fully depreciated in the year of purchase.

- ii) Intangible assets are recognised as specified in the applicable accounting standard and are amortised as follows:

Particulars	Period of amortization
Computer software	36 months
Website development cost	36 months
Design and drawings	72 months

## i) Employee Benefits

- i) Short term Employee Benefits

All employee benefits payable wholly within 12 months after the end of the period in which the employees render related services are classified as short term employee benefits and are recognised as expenses in the period in which the employees render the related service. The Company recognises the undiscounted amount of short term employee benefits expected to be paid (including compensated absences) in exchange for services rendered, as a liability.

- ii) Post-employment benefits

### (a) Defined contribution plans:

Defined contribution plans are retirement benefit plans under which the Company pays fixed contributions to separate entities (funds) or financial institutions or state managed benefit schemes. The Company's contributions under the Employees' Provident Fund Scheme, Employees' State Insurance Scheme and Officers' Pension Scheme for certain employees are defined contributions plans. The Contributions paid/payable under the schemes are recognised during the period in which the employees render the related service.

### (b) Defined benefit plans:

Defined benefit plans are plans under which the Company pays certain defined benefits to employees following their retirement/resignation/death based on rules framed for such schemes. The Employees' Gratuity Scheme is a defined benefit plan. The present value of the obligation under a defined benefit plan is determined based on the actuarial valuation using the Projected Unit Credit method, which recognises each period of service as giving rise to an additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

The obligation is measured at the present value of the estimated future cash flows. The discount rate used for determining the present value of the obligation under a defined benefit plan is based on the market yields on Government securities as at the balance sheet date, with maturity periods approximating the terms of the related obligation.

Actuarial gains and losses are recognised immediately in the statement of profit and loss.

Gains or losses on the curtailment or settlement of any defined benefits plan are recognised when the curtailment of settlement occurs. Past service cost is recognised as an expense on a straight-line basis over the average period until the benefits become vested.

iii) Other long-term employee benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders related services are recognised as a liability at the present value of the defined benefit obligation at the balance sheet date on the basis of an actuarial valuation. The discount rates used for determining the present values of the obligation under defined benefit plans, are based on the appropriate market yields on Government securities as at the balance sheet date.

iv) Employee Stock Options :

Compensation cost in respect of stock options granted to eligible employees is recognised using the intrinsic value of the stock options and is amortised over the vesting period of such options granted.

**j) Borrowing costs**

Borrowing costs that are attributable to the acquisition of qualifying assets are capitalised upto the period such assets are ready for their intended use. All other borrowing costs are charged in the statement of profit and loss.

**k) Taxes on Income**

- i) Current tax on income is determined on the basis of taxable income computed in accordance with the applicable provisions of the Income-tax Act, 1961.
- ii) Deferred tax is recognised for all timing differences between the accounting income and the taxable

income for the year and quantified using the tax rates and laws enacted or substantively enacted as on the balance sheet date.

- iii) Deferred tax assets are recognised and carried forward only to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised, except in the case of unabsorbed depreciation or carried forward of losses under the Income-tax Act 1961, where deferred tax assets are recognised only to the extent that there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which deferred tax assets can be realised.
- iv) Minimum alternate tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will be in a position to avail of such credit under the provisions of the Income-tax Act 1961.

**l) Impairment of Assets**

Impairment of individual assets/cash generating unit (a group of assets that generates identified independent cash flows) are identified using external and internal sources of information and impairment loss, if any, is determined and recognised in accordance with the applicable accounting standard.

**m) Provisions, Contingent liabilities and Contingent assets**

Provisions are recognised, if :

- i) the Company has a present obligation as a result of a past event;
- ii) a probable outflow of resources is expected to settle the obligation; and
- iii) the amount of obligation can be reliably estimated.

Reimbursements expected in respect of expenditure required to settle a provision are recognised only when it is virtually certain that the reimbursement will be received.

A contingent liability is disclosed in the case of

- i) a present obligation arising from a past event, when it is not probable that an outflow of resources will be required to settle the obligation; or
- ii) a possible obligation, unless the probability of outflow of resources is remote.

Contingent assets are not recognised.

**n) Research and Development**

Revenue expenditure on research and development is charged under the respective heads of account. Capital expenditure on research and development is included as part of fixed assets and depreciated on the same basis as other fixed assets.

**o) Government Grants**

Recognition

Government grants are recognised where:

- i) There is reasonable assurance of complying with the conditions attached to the grant.
- ii) Such grant/benefit has been earned and it is reasonably certain that the ultimate collection will be made.

Presentation in Financial Statements:

- i) Government grants relating to specific fixed assets are adjusted with the value of such fixed assets.

ii) Government grants in the nature of promoters' contribution, i.e. which have reference to the total investment in an undertaking or by way of contribution towards total capital outlay, are credited to capital reserve.

iii) Government grants related to revenue items are either adjusted with the related expenditure or shown separately as income in the statement of profit and loss.

**p) Expenditure on Corporate Social Responsibility (CSR)**

Amount incurred on CSR projects undertaken by the Company are charged in statement of profit and loss under "Other Expenses". No provision is made in the accounts in respect of any shortfall in CSR spends, if any, as determined in accordance with section 135 of the Companies Act 2013, unless a contractual liability has been incurred under a CSR activity already undertaken by the Company.

42. The amount spent by the Company on CSR activities, in terms of section 135 of the Companies Act 2013, has been charged in the statement of profit and loss under "Other expenses" in accordance with accounting treatment suggested in Guidance Note issued by the Institute of Chartered Accountants of India on the subject. However, during the previous year, based upon the guidance then available, the Company had considered the amount of ₹ 26.43 Million, being the amount incurred by it on CSR activities during that year, as an appropriation of profits.
43. The land at Sompura, acquired by the Company during financial year 2014-15 from Karnataka Industrial Areas Development Board, was on a lease-cum-sale basis. The Company is required to pay ₹ 0.14 Million per year towards lease and maintenance charges towards this land for an initial period of ten years. Thereafter the ownership of the land will be transferred in favour of the Company. Accordingly the cost of the said land amounting to ₹ 388.65 Million has been disclosed as freehold land in these financial statements under "Tangible Assets" in Note no. 10 and no amortisation is required to be provided.

44. The Company has changed method of estimating and recognising export incentives receivable under the Merchandise Export Incentive Scheme, Focused Market Scheme and Served From India Scheme formulated by the Government, based on reasonable certainty of collection flowing under such incentives upon complying with the conditions attached to such Schemes (reasonable certainty of collections arrived at based on best judgment and past experience of the Company). Consequently, during the year, the Company has accounted for additional export incentives aggregating ₹ 20.37 Million arising from the exports made by it.
